As a 4-H'er, why you would like to go to the selected camp this year and what do you hope to gain from it?

Fayette County 4-H Camp scholarships will be awarded based on financial need of the family and participation of the 4-H'er in 4-H contests. Preference will be given to those who have not received a camp scholarship in the past. The Fayette County 4-H Program funds are limited. Funds that are available for scholarships have been donated by local businesses, organizations and individuals. Therefore, it is important to make every effort to distribute those funds as fairly as possible. We hope that this form will help the committee make more informed decisions and allow us to award scholarships to those with the greatest need and most enthusiasm for the 4-H program.
